

Topdisk Technology Limited Company Profile

June, 2019

Company Snapshot

- **Company Name:**
Topdisk Technology Limited
- **Location:**
Shenzhen, China
- **Registration:**
Hong Kong Registered
- **Employees :**
Office: 90 Factory: 290
- **2018 Revenue:**
US\$80,000,000
- **TOPDISK is a certified MFi manufacturer**
Apple MFi Manufacturing Licensee

Company Culture

Memory & More...

Core Values

Create value for clients, dare to **commit and fulfill**.

Company Mission

Offer users practical products with **reliable quality**.

Company Vision

To be the world-class supplier of **NAND Flash product**.

Core Value

1. Rich Industrial Experience

***18-year experienced supporting team in NAND Flash Fields**

R&D Team

Sales Team

2. Resource and Supply Chain

*Well established strategic partner relationship with suppliers

Controller Partner:

SSD---SM2258H, SM2258XT
Apple flash drive---SM3269
USB 3.0 flash drive---SM3268, SM3281
USB 2.0 flash drive---SM3271

USB 2.0 flash drive--- AU6989SNBS-GTD
USB 3.0 flash drive---AU89102

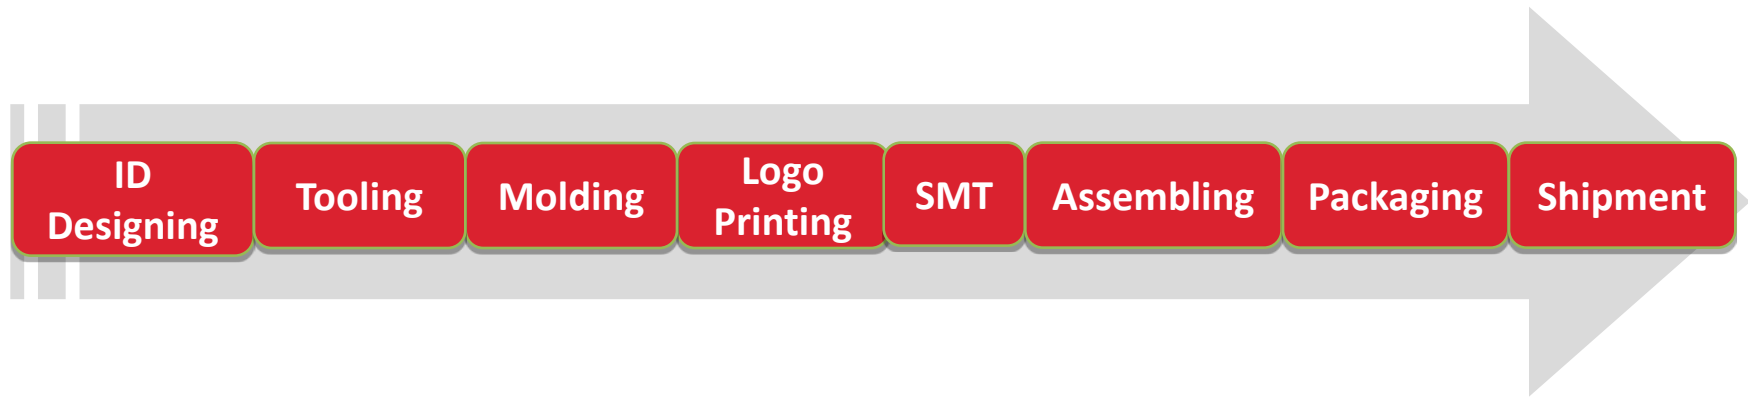

SSD----AS2258
USB 3.0 flash drive---IS917, IS918

Core Value

3. Service

*One stop **OEM&ODM** service for all customers.

Core Value

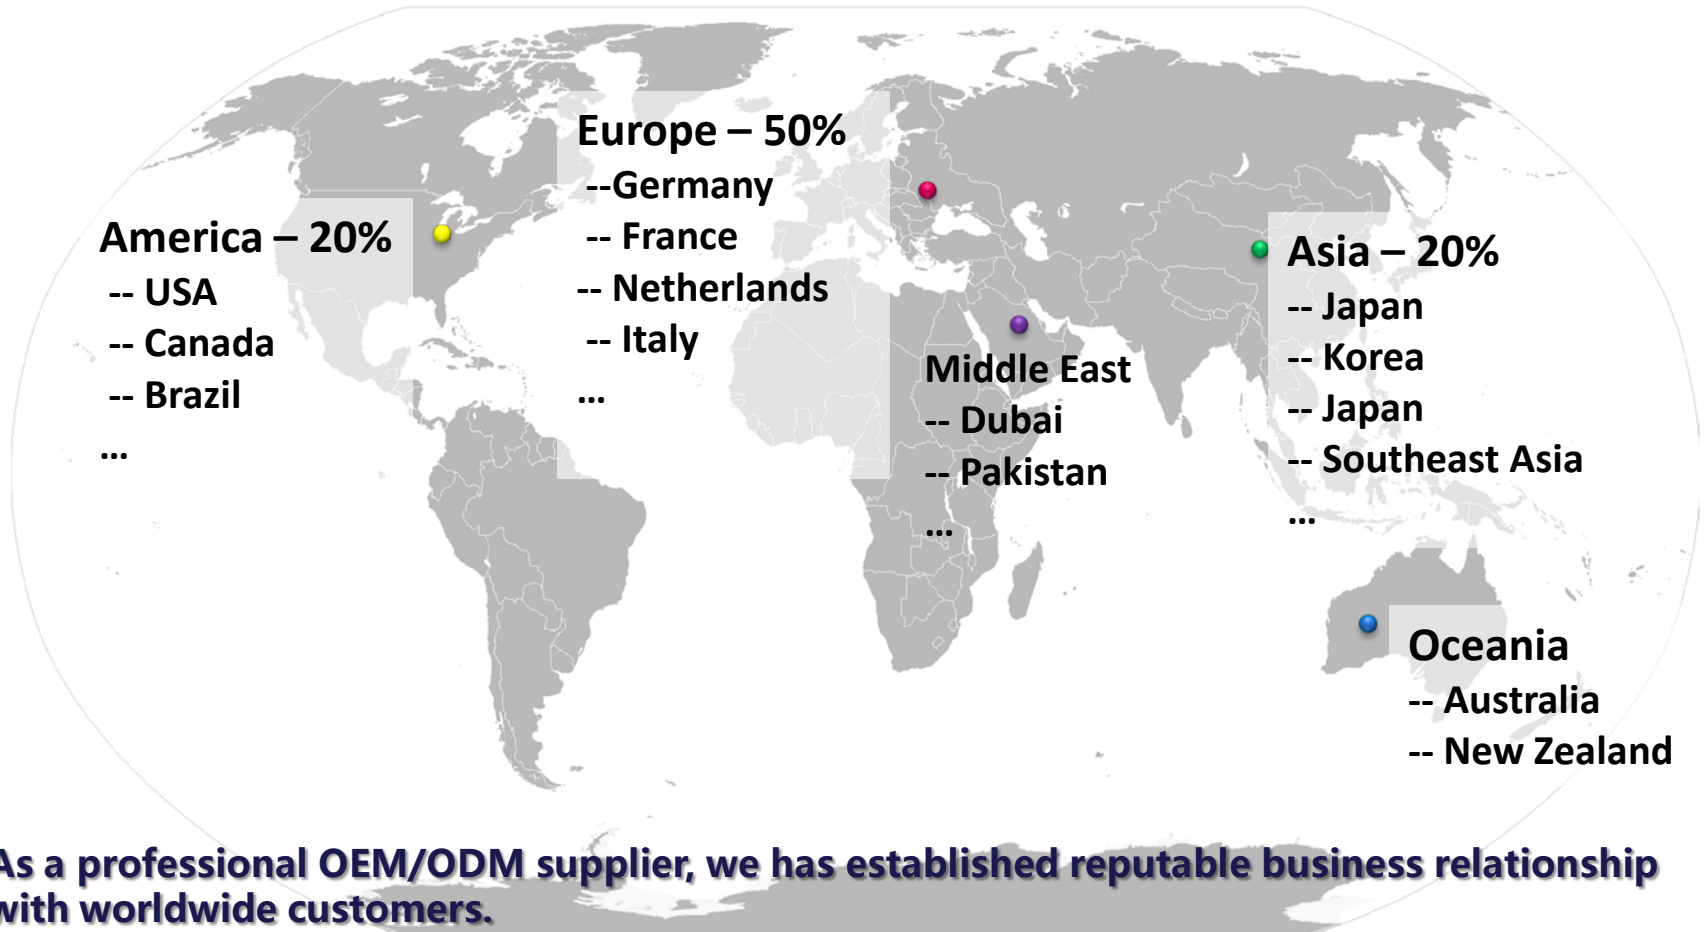

4. Fast delivery with reliable quality

- *Strict QC test for every single order
- *Shipping volume with 2 Million pcs/month for USB drives

Global Distribution Channels

One of the **Biggest Flash Memory devices suppliers** from China

As a professional OEM/ODM supplier, we has established reputable business relationship with worldwide customers.
